

**Thank you for your interest in our LPF Homes program.**

Some quick background info on the program:

- LPF Participants are typically chosen through our "Scouts" for members of the community with good work history, community references and who are ready to follow the LPF curriculum.
- The communities we are currently working in are near Pittsburg, KS with plans to expand further as more Scouts and Financial Sponsors join the program.
- While we typically find New Applicants through our "Scouts", you may proactively apply to become an applicant by returning the attached two documents to this email.
  - Applicants without a "Scout Recommendation": In addition to returning the attached documents, attending the monthly Events will allow you to become known to the LPF team with the hope that over time this participation will highlight that you have demonstrated the desire and discipline to enter into the program.
- For information on upcoming Events, as well as other helpful advice & tips, please visit our website at [www.LPFHomes.com](http://www.LPFHomes.com)
